

youSinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

This is a perfect example of why we need to reinstate some type of "fairplay" in Media. Sinclair represents a large corporation infringing upon our rights. Don't let them bully and throw their weight around. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thankyou .
